UrbaChina, a FP7 programme coordinated by CNRS-EHESS

2014-9 (February)

In China, 'Once the villages are gone, the culture is gone'

edited by Monique Abud

'Across China, cultural traditions are under threat. Rapid urbanization means village life, the bedrock of Chinese culture, is rapidly disappearing, and with it, traditions and history.'

Senior residents living in hostiles cities?
written by Sebastien Goulard

Senior residents living in hostiles cities?
How to make older people feel safe in urban China?
<http://urbachina.hypotheses.org/8834>

UrbaChina Newsletter

*Funded under the European Commission's Seventh Framework Programme, **UrbaChina** is a collaborative project managed by a consortium of 11 leading Chinese and European research institutions. **UrbaChina** analyses China's urbanisation trends for the next 40 years and define possible future scenarios with reference to concepts of sustainability.*
