

# UrbaChina Newsletter

UrbaChina, a FP7 programme coordinated by CNRS-EHESS

2013-16 (April)

## *China planning research symposium*

edited by Monique Abud

A one-day Research Symposium, organized by China Planning Research Group, The Bartlett School of Planning, University College London.

<http://urbachina.hypotheses.org/?p=3917>

## *Conference on China, inequality, growth and the middle-income trap*

edited by Monique Abud

More than three decades of high economic growth has transformed the Chinese economy. As China has quickly gone from being a low- to a middle-income country, it is facing new challenges which may, if not dealt with, result in a middle-income trap.
