Financing Chinese cities
written by Sebastien Goulard

An introduction to Chinese' cities financing
http://urbachina.hypotheses.org/8489
Funded under the European Commission’s Seventh Framework Programme, **UrbaChina** is a collaborative project managed by a consortium of 11 leading Chinese and European research institutions. **UrbaChina** analyses China’s urbanisation trends for the next 40 years and define possible future scenarios with reference to concepts of sustainability.
